## Welcome to St. George Greek Orthodox Church

### From the desk of Fr. Neofitos

Welcome all to the Triodion period. It is a period that spans from the Sunday of the Publican and Pharisee until Holy Saturday and the Resurrection of our Lord.

It is also the service book we use during this period and it contains multiple daily services for this 11-week period. The main theme of the Triodion is repentance. The hymns and prayers constantly refer to humanities' repentant journey spanning from Adam and Eve's exile out of Eden, all the way to our reentry into Paradise and the Kingdom of Heaven through our Lord's loving and sacrifice, passion, death, Resurrection, and glorious second coming. This period is filled with services, service to our fellow man in need (almsgiving), fasting, personal prayer, reading, and the sacrament of confession (which Fr. Neofitos has received blessing to minister as of July 2020), and holy unction.

Our God is a good God and He loves us. Even if we are far away from Him, He awaits patiently and lovingly for our return. If this entire period could be summed up into one gospel lesson; if our entire faith could be summed up in one gospel lesson, it would be in the parable of the prodigal son.

Our Creator yearns for us. Let us look at the parable. Jesus speaks of a Father who split his inheritance among his sons. The younger took his inheritance early and squandered it in prodigal living. He did not do anything wise with it. He wasted his money. For us today this could symbolize when we waste our Time, talent, and treasures. The son ran out of the wealth and then, famine struck. He ended up working with pigs and he ate from their food.

Great Lent is a reminder to repent. It is our opportunity to self-reflect and see where we are "eating with the swine" and have a repentant moment and turn our behavior and energies toward returning to the image of God in which He created us. In the rest of the story, we see the repentance of the younger son. You might have heard the story many times before.

I would like to point out the different steps of repentance in this Parable So that we can apply them to our lives.

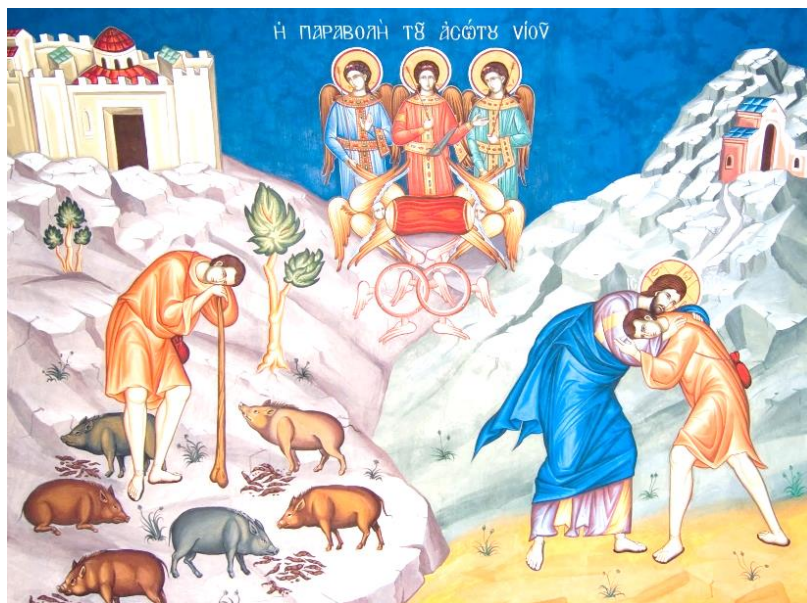

Step one is to admit we are a sinner. It says, "But when he came to himself. Εἰς εαυτὸν Δε ἐλθὼν εἶπε".... He was living with pigs and then had an AHA moment. He snapped out of it. He realized he was not being HIMSELF. His best self.

"My father's servants have food to spare but I am sitting here hungry, starving. I will arise and go to my father. And I will say "I have sinned against heaven and before you. I am no longer worthy to be called your son. Treat me as one of your hired Servants." The Admission is the first step. Looking in the mirror and realizing that maybe we muddled ourselves with some of our behaviors. Where have I muddled my baptismal robe, the white radiant robe of my soul?

And he arose and came to his father. Step two is action, confession, or admission of guilt. Asking for forgiveness. Some might say "...but Father, I confess my sins to my icon at home..".

If we believe in the soul, if we believe in God, then we must believe in the Sacrament of Holy Confession which He Himself instituted. Consider when we are sick. We go to a doctor, not a picture of a doctor. We are honest with the doctor and show him the worst of our pain and what ails us. If we tell a picture of the doctor where it hurts, our results will not be good. In the same way, our sins are not forgiven with our own prayer but by the Grace of God through the sacrament of priesthood and Holy Confession. Our God has left us a living breathing church for our healing. We must use and practice the sacrament of confession. We must come to our senses and be honest with ourselves and then with God. "Know Thyself, Γνώθι Σεαυτὸν" is the beginning of any spiritual journey and as Christians, our next step is to approach God through His Holy Sacraments humbly and honestly. Just like we do not lie to our doctor, we should not lie to God, ourselves, or the world. The priest who is in essence representing God and the world, under the blessing of the hierarchy, offers God's absolution of sins.

And finally, step three, changing our life and getting the job done. There is a difference between coming to the realization, speaking the realization, and taking the steps toward acting out the change in our heart. The son acted after his realization and went back to his father. He had humble expectations and with boldness to approach, he asked for forgiveness.

## Welcome to St. George Greek Orthodox Church

What came next in the parable was a joyous occasion.

The beloved father, "at a distance, saw His son – and had compassion - Μακράν απέχοντος οἶδεν αὐτὸν ὁ πατὴρ αὐτοῦ – ἐσπλαγχνίσθη". The father suffered long for his son. Waiting and peering at the horizon in hope for his son's safe return. The father prayed and wept. He got on his knees for his child while he was gone. He must have made many offerings to God in supplication and mercy for his son. Our Father in heaven also pray for us. He hopes that that we will run to Him when we stray from our holy path He intended for us. He never gives up hoping in us. He hopes that this world will not destroy us.

"Ἐσπλαγχνίσθη. Compassion". Luke the Doctor and Evangelist emphasizes over and over this theme of Compassion in his gospel. The Father, without a moment's hesitation ran to His Son, seeing him from far off. Forgiveness was instantly granted. The Father offered forgiveness in a warm embrace even before the son's confession.

"Καὶ δραμὼν ἐπέπεσεν ἐπὶ τὸν τράχηλον αὐτοῦ καὶ Κάτεφιλοῖσεν αὐτόν. And he ran and jumped on his neck, is the proper translation, and kissed him a lot. Not ἐφιλοῖσεν but Κάτεφιλοῖσεν. Kat as a prefix means extra.

Also, to be a wealthy landowner and a person of Advanced age meant that you did not make a fool of yourself by running into the fields. But run the Father did. In joyous ecstasy the father could not contain himself. Our creator will meet us in the same way as we approach. If we take one step toward Him, he takes 100 toward us.

And after this scene, the son's confession was made. And the result was spiritual joy, clarity, relief, and love.

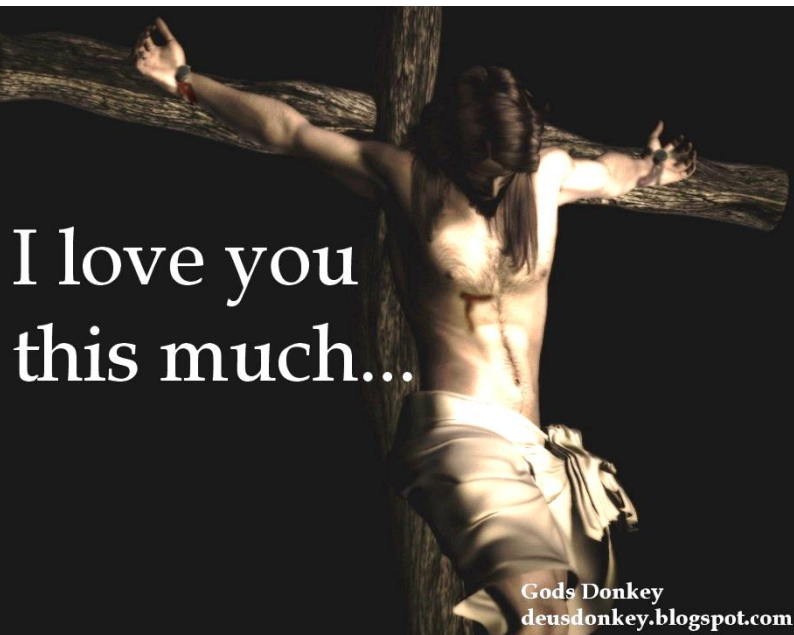

Those of you have ever been to confession know very well what follows a true confession. You walk in with sins and you walk out Free from them. An unbearable load for us is no more. Jesus said to his disciples "if you forgive any sins they are forgiven; if you retain any sins they are retained".

The core of our Lord's salvific plan, the reason He is risen, is for us to be free of our sins and have eternal life.

Just like the Father in the parable put on his son the best Robe, gave him a ring, put shoes on his feet, killed the fatted calf and had a party, in the same way we receive His eternal blessings. "My son was dead, and he is now alive. He was lost and now he is found."

Our Father is waiting for us always; Before Lent, during Lent, and after Lent. This is a time for our own self-reflection. Let us look at our behaviors, and not just fast. Let us increase our compassion, our teamwork, and not just focus on what we are giving up for Lent. We say, "Christ is in our Midst"! Our Father is here present and looking for us. He is waiting for us.

His warm embrace is not far off but HERE in our midst. His arms are outstretched on the Cross, waiting for us. Let us not be mere observers, but partakers in this joy that is everlasting. Amen

### Philoptochos News

By Olga Delorey

The winter months have been quiet for the St. George Philoptochos following a busy December with our Spanakopita Sale, Parish Christmas Card and Mitten Tree. Last year at this time we were busy with our annual Spaghetti & Meatballs Dinner and Auction among many other events which filled our Hellenic Center. Unfortunately, activities such as this cannot take place at this time. In March it will be one year since the COVID-19 pandemic hit and the toll it has taken is great. While the new vaccine gives us much hope and promise for the future, we must remain vigilant and continue to exercise caution. We commend Father Neofitos, our Parish Council and church staff for their hard work in making it safe for us to attend services and receive the holy sacraments.

During the months of January-February, our Philoptochos fulfilled its philanthropic mission by providing donations to the following: Saint Basil Academy (Vasilopita Special Tray Collection), National Philoptochos Social Services Fund, National Philoptochos Cancer Fund, National Philoptochos Autism Assistance Fund, St. Photios Shrine, Center for Disability Services, Jack's Place, Quest for Grace, Bethesda House, City Mission of Schenectady (student toiletry kits), Salvation Army (soup kitchen bag lunches) and St. George Greek Orthodox Church.

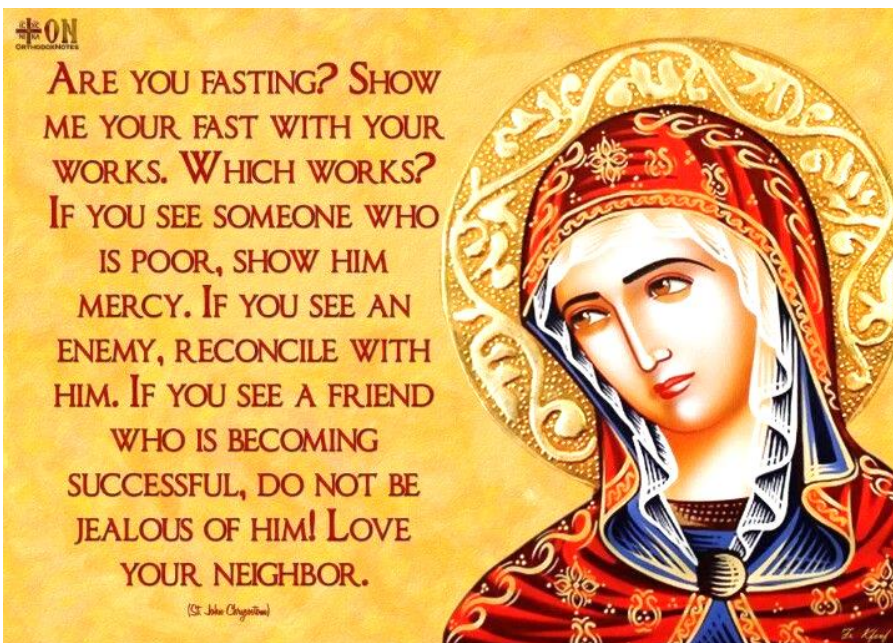

Our heartfelt gratitude to the following Soup Kitchen Bag Lunch sponsors: Frusina Ika Iancu (January) and Zanetta & Trifon Laskaris (February).

On March 15 we begin our Lenten Journey which culminates in the glorious Resurrection of our Lord and Savior, Jesus Christ.

### **Fellowship News**

By Eliana Georgelos

Greetings everyone! Yet again, Covid is preventing us from gathering together. Our last official meeting took place in March of 2020. We did not meet at all in April, May, June, July, August, September or October of 2020. In November with Covid numbers down somewhat, we felt safe enough to gather together informally. It was wonderful seeing one another again after so many months apart! But another increase in Covid numbers prevented us from attempting to meet again. So no meetings in December, 2020 or January and February of 2021. But now with two new vaccines available and a third one in the works, we hope that the majority of us will be able to get our vaccinations and that it will be safe for us to gather again in March. Fellowship members will be contacted to let everyone know one way or another if we can meet.

Covid has effected so many of us this past year. Our good friend Spiro Mikropoulos. succumbed to the disease in April of last year. We continue to miss him and mourn his passing. And so many others in our church family were sickened with Covid, some hospitalized, others not. But the toll on those who test positive can create both physical and emotional symptoms. Knowing one has Covid often causes anxiety about symptoms getting worse if they are minimal, or changing as is the case with "long haulers" who have varied serious symptoms for months after first being diagnosed. Even Father Neofitos and Presvytera Catherine were diagnosed with Covid and needed to be quarantined. Thankfully, their symptoms were minimal and we thank God that they have both recovered and are healthy, as is baby George Nektarios. Hopefully, no one else in our community will test positive to Covid from now on, and the vaccines will prevent further illnesses. But we must continue to be vigilant by washing our hands frequently, wearing masks and social distancing.

We look forward to our forthcoming preparations for Holy Pascha. Fasting from meat begins with Meatfare Sunday on March 7th. The following Sunday, March 14th is Cheesefare Sunday. Then comes Clean Monday, the first day of Great Lent on March 15. Our beautiful Lenten services continue throughout the rest of March and the entire month of April. It is our fervent prayer that we will all be able to safely pray together in church during this holy time, culminating with Great and Holy Pascha on May 2.

Best wishes are extended to all St. George parishioners for good health in the coming months. Here's hoping you enjoy the attached photos!

# WELCOME TO OUR FAMILY

## Stewardship for St. George

Greetings from the Stewardship Committee.

As we begin our Lenten journey leading to the blessed Resurrection of our Lord Jesus Christ, it is a good time to think about our relationship with God through Stewardship. We should take a close look at how much of ourselves we devote to God and the Church. Are we fulfilling our Stewardship responsibilities including our time, talents and treasure to the full extent? Do we devote ourselves to a ministry or committee of the Church (Time)? Do we devote the abilities that God has bestowed on us with the Church (Talent)? Do we Pledge based on our devotion to God (Treasure)? Let's think about this, do we tend to determine our Pledge based on what is left over after paying our monthly bills or do we consider how much to Pledge first, then plan accordingly with the rest of our family budget? If God is indeed the center of our lives, we should be thinking about our financial commitment to the Church first, then consider the other expenses. Although this is easier said than done, this level of devotion is important for all of us to strive to attain.

**Matthew 6:19-21 "Do not lay up for yourselves treasures on earth, where moth and rust consume and where thieves break in and steal, but lay up for yourselves treasures in heaven, where neither moth nor rust consumes and where thieves do not break in and steal. For where your treasure is, there will your heart be also."**

If you have not completed a Pledge form for 2021, please call the office for a form to be mailed to you or simply ask for one the next time you attend Church. Please inform a member of the Stewardship Committee if you need to make an adjustment to your Pledge.

Kali Sarakosti. May God Bless you and your families.

### Meet our Greek School Teachers

**We Welcome our New Greek School Teachers George Cotzas and Ioanna Loula.  
Presvytera Catherine Sarigiannis will be taking a maternity year this year.**

#### Greek School Teacher for Pre-K to Grade 8

My name is Ioanna Loula (Ιωάννα Λούλα) and I am so happy and proud to be a teacher at St. George Greek school! I was born and raised in Athens, Greece and I moved to the US in 2012. Originally, I come from a small village very close to the city of Ioannina, where I spend most of my childhood summer vacation full of lovely and memorable experiences! I received my bachelor's degree in Education from University of Ioannina in Greece and my Master's in Social work from SUNY Albany. I have been teaching Greek as a second language for four years at St. Sophia Greek school in Albany, NY. I have a true passion for working with kids. I love watching them grow physically, mentally and spiritually. Motivating and helping each child love the Greek language and culture is a challenge that I am honored to accept daily. My goal is to create lovely memories for my students that would make them curious to love, visit and explore Greece. Personally, I have been married for 8 years and I have a 4-year-old daughter. I love to spend time with my family and visit new places that are close to the beach.
